markets were quiet, dull and featureless today. Improvement in Hrazis continues: Spanish is were flat. It is understood that coupons held by residents in Spain are not to be sold on a gold basis. This leads to selling on Spanish account. Americans were quiet and dull, closing a shade above the worst. New York selling of B. & O. was the feature. Canadian Pacific and Grand Trunk were good. The rate war is said to be settled. The morey rate here is still easier today. It is an even chance whether the bank rate will or will not be reduced tomorrow. The fact that a new Indian Joan is soon to come out favors a decline before long.
